ASSUMPTION OF RISKS

The CU Community Fab Lab has several safety guidelines for using equipment in the lab, which if followed, result in safe enjoyment of the facilities. However, participation in fabrication workshops carries with it certain inherent risks that cannot be completely eliminated regardless of the care taken to avoid injuries. The specific risks vary from one activity to another, but the risks range from 1) minor injuries such as small cuts, scratches, or burns, to 2) major injuries such as eye injury or loss of sight, cuts, and burns. I have read the previous paragraphs and I know, understand, and appreciate these and other risks that are inherent in use of the CU Community Fab Lab. I hereby assert that my participation is voluntary and that I knowingly assume all such risks.

INDEMNIFICATION AND HOLD HARMLESS

I also agree to INDEMNIFY AND HOLD the Board of Trustees of the University of Illinois HARMLESS from any and all claims, actions, suits, procedures, costs, expenses, damages and liabilities, including attorney's fees, brought as a result of my involvement in CU Community Fab Lab Programs and to reimburse it for any such expenses incurred.

ACKNOWLEDGEMENT OF UNDERSTANDING

I have read this waiver of liability, assumption of risk, and indemnity agreement, fully and understand its terms, and understand that I am giving up substantial rights, including my right to sue. I acknowledge that I am signing the agreement freely and voluntarily and intend by my signature to be a complete and unconditional release of all liability to the greatest extent allowed by law.
